Livermore, Iowa 50558

Dear Mary:

Thank you for your letter dated July 30th. Mr. John Larsen had mentioned to me that Livermore was thinking of renovating the depot in Livermore. I think that it is a great project and we have had several projects of this nature apply to the Commission for funding. I am enclosing a criteria form which must be filled out and accompanying that, you must submit a one page narrative describing briefly your project. We need 30 copies of this one page narrative for all of our Commissioners.

The type of grant that we have available is strictly a matching grant. Whatever amount you request from the Commission, you must have that same amount to match it. This criteria form must be submitted to us by October 1st.

Thank you for your interest, and if there is anything I can help you with or if this is not clear, please let me know.

Very truly yours,

Kathy Cashman
